RULES OF PARENTS CONDUCT

- 1) I understand that youth sports are intended for children, for their growth, physical well-being and enjoyment.
- 2) I will encourage my child to show good sportsmanship, cooperation and respect for coaches, officials, teammates and opponents.
- 3) I will provide my child with proper example by showing the same sportsmanship, cooperation and respect.
- 4) I understand that winning is more fun than loosing, but we must learn how to do both.
- 5) I will treat others the way I would like myself and my child to be treated.

Failure to follow these codes will result in disciplinary action. Each league will provide their own rules of discipline should these codes not be followed. I, the undersigned, agree to follow these codes and understand that disciplinary action will take place should I fail to follow these codes. I also agree that I will be responsible for the actions of any other family members or friends that attend. I also understand that a nonrefundable late fee will be added if registration made after the final signup (only the late fee is **nonrefundable**, the registration fee is refundable if the player is not placed on a team). **The late fee will be collected with the registration fee.**
